

## **1 INTRODUCTION**

This Construction Quality Assurance Plan (CQAP) for the Holly Street Landfill Cleanup and Habitat Restoration Project is one element of the Draft Final (100 percent) Design Submittal, prepared by Anchor Environmental, L.L.C. This CQAP was prepared to comply with requirements of the Model Toxics Control Act (MTCA) administered by the Washington State Department of Ecology (Ecology), and specifically to satisfy the requirements of the MTCA regulations contained in WAC 173-340-410, Compliance Monitoring Requirements. The remedial actions selected for the Site are to occur under the legal framework of a Consent Decree between Ecology, the City of Bellingham (City), and other defendants.
